

## Building a Better Tomorrow

### Our Mission

To support and improve the lives of the homeless in the communities we serve

**Everyone should have a place to call home.**

That's what Edina Realty agents and employees thought when they established the Edina Realty Foundation in 1996.

The Edina Realty Foundation offers financial support to non-profit organizations that provide food, emergency shelter, medical care, job readiness training and more to the homeless across Minnesota and western Wisconsin.

Ninety-seven percent of all funds raised go directly to organizations that support the homeless or work to prevent homelessness.

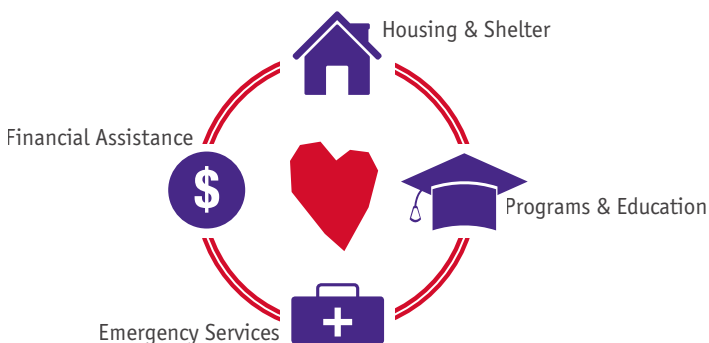

# Grant Distribution

The Edina Realty Foundation is funded by agent, employee and company contributions as well as fundraising events. Every time an agent donates a part of their commission to the Foundation, Edina Realty makes a contribution as well.

Since its inception in 1996, the Edina Realty Foundation has donated over \$9 million, and 20 years later, we remain steadfast in our commitment to building a better tomorrow for the homeless.

## Program Areas We Support

**On any given night, an estimated 3,500 Minnesota youth experience homelessness.**

**One quarter of homeless adults first experienced homelessness as a child.**

**Fifty-one percent of homeless children with their parents are five years old or younger.**
