

Our Mission: To support and improve the lives of the homeless in the communities we serve

The Issue of Homelessness

Edina Realty agents and employees believe everyone should have a place to call home. And with so many factors contributing to homelessness, including job loss, health crisis, family violence and more, we were compelled to establish the Edina Realty Foundation in 1996 to help. To date, we've raised nearly \$10 million for non-profits working with the homeless or homelessness prevention.

- ♥ Homelessness in Minnesota climbed **4.5%** percent in 2017 compared to the year before. More than 40,000 Minnesotans experience homelessness in a year.
- ♥ In 2017 nearly **22,000** people received shelter and services from non-profit agencies in Wisconsin.
- ♥ More than **96%** of funds raised by the Foundation go directly to non-profit organizations that serve homeless individuals, children and families or that focus on homelessness prevention
