

2020 Edina Realty Foundation Annual Report

Our mission: To support and improve the lives of the homeless in the communities we serve.

Our history: Everyone should have a place to call home. That's what Edina Realty agents and employees thought when they established the Edina Realty Foundation in 1996. The Foundation offers financial support to non-profit organizations serving the homeless and/or homelessness prevention in communities across Minnesota and western Wisconsin. Since its inception, we've raised more than \$10 million.

We raised more than **\$344,000** — and — distributed **197** grants.

2020 Highlights

In conjunction with the Minnesota Assistance Council for Veterans, the Edina Realty Foundation Home for Veterans basement and kitchen remodeling projects were completed, providing a home for five homeless veterans.

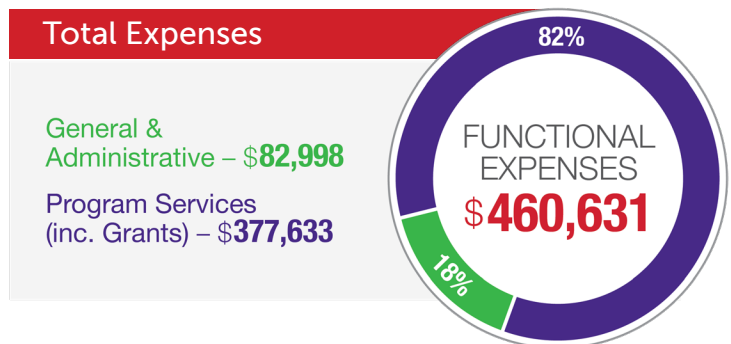

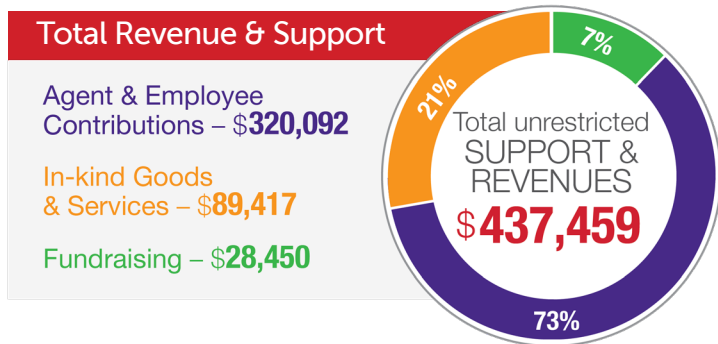

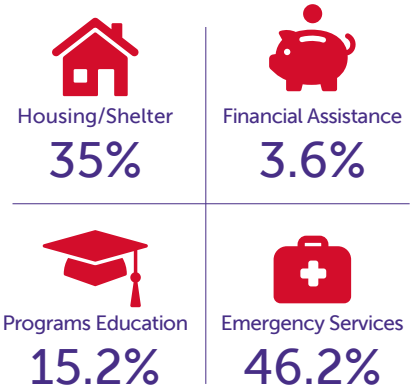

The Edina Realty Foundation donation of \$68,000 to support Second Harvest Heartland's Emergency Food Box program provided 6,181 emergency food boxes, equaling 43,636 meals to local food shelves across Minnesota.

More than 95% of all funds raised go directly to organizations that support the homeless or work to prevent homelessness.

Our funding is made possible by generous donations from:

- Agent and employee contributions
- Year-round fundraising events
- Edina Realty Home Services contributions
